

VIKTORIYA YERMOLYEVA

VKgoeswild

PIANIST / ARRANGER / COMPOSER

CLASSICAL VIRTUOSITY. MUSIC REIMAGINED. ONE PIANO.

ARTIST BIO

Viktoriya Yermolyeva, known internationally as VKgoeswild, is a Ukrainian-born pianist, arranger and composer whose career moves freely between classical music, rock, metal, alternative, progressive and contemporary repertoire. An award-winning concert pianist by training, she studied in Kyiv and Weimar, with legendary pianist Lazar Berman in Imola, and at the Rotterdam Conservatory.

In the late 2000s she began creating her own solo-piano arrangements - translating guitars, bass, vocals, drums and the architecture of full-band recordings into a single piano part. VKgoeswild developed into an extensive online catalogue and an international live act spanning festivals, clubs and concert halls.

Her live work ranges from the sold-out VIGGIE & VIKA: Live in Iceland with Brian Viglione (2011) and the Brazil Goes Wild Tour (2019) to her Wiener Konzerthaus solo debut on 8 December 2024 and appearances at Wacken Open Air, Wave-Gotik-Treffen, Full Metal Holiday, Full Metal Cruise and 70000TONS OF METAL.
